Hi Lucita –

Welcome back! Do you want to review this briefing paper before I send it to Darcy this morning? I know you're catching up, so no worries if you don't have time.

Thanks!

Attached are the updated briefing documents.

In addition to the other changes, I gave us an extra month to issue the 2nd draft permits & AE ROD: now May 1, 2019,

and changed final permit decision date to Oct 1, 2019.

I highlighted the proposed public hearing date to flag it for a decision.

I staggered the dates for management review/concurrence on the 2nd draft permits & updated AE.

Thanks!

Valois
